

Job Posting in Kings Point

The Village of Kings Point is looking to fill two positions.

Plans Examiner/Assistant Building Inspector

The position is a full time employee position. The candidate must have comprehensive knowledge of all phases of construction, architecture, and engineering. The candidate must be able to review and approve plans for building and zoning code compliance, perform field inspections, and assist the head building inspector in day to day duties. The candidate must be motivated, self-sufficient, and collaborate well with others. Strong verbal and writing skills are a must. Certification as a CEO is not necessarily required at the time of appointment.

Code Enforcement Officer

The position is a part time position as a contractor. The candidate must have code enforcement experience with issuing appearance tickets, attending court, issuing violation notices, and sending all associated correspondence. The candidate must be motivated, self-sufficient, and collaborate well with others. Strong verbal and writing skills are a must. Certification as a CEO is required at the time of appointment.
